### See The Best First

San Antonio is a city that's all about authenticity. You'll find real fun and true adventure just outside your door. Come and explore our larger-than-life attractions, beautiful historic districts, and breathtaking natural wonders. There's something exciting for everyone to enjoy, from the Alamo, an 18th-century Spanish mission that's been preserved as a museum, to the San Antonio River Walk, which is the number one attraction in Texas. Also, don't miss the chance to visit Hemisfair Park's 750-ft. Tower of the Americas, which offers breathtaking views of the city. As we discover the rich and vibrant history of this city and learn about its pioneers, you too will feel inspired!

### How The Tour Works

Our fleet of orange-and-green trolleys travel through San Antonio frequently on a continuous 15-mile loop with 12 stops. Start your tour at any of our stops and tour all day. Hop on - hop off your trolley to enjoy our narrative, presenting a great overview until you return to your starting point.

### Hop On and Off!

Depending on your start time, you may also use your ticket to enjoy your tour in segments by hopping off at one or two of our stops on the loop. Each stop offers a unique aspect of San Antonio. When you are ready to continue, simply hop on the next available trolley. The number of stops you can explore in one day depends on the time of year you are touring and the amount of time you have on the day of your tour. For your convenience, we offer discounted Old Town Trolley and attraction combination packages!
